

Thanks to you,

Danielle and her family can celebrate a strong past and a healthy future.

In recognition of leaders, past and present, WellPoint joins in the celebration of National African-American History Month.

WellPoint is committed to simplifying the connection between health, care and value. Whether it's engaging members to make healthy choices or helping physicians communicate culturally sensitive information with patients, we are helping eliminate health disparities and improve the lives of the people we serve and the health of our communities.

Better health care, thanks to you.
